### Record Compilation Transfers

When you mix songs from different records together on one CD it's called a Custom Compilation. This is often done when you like only 1 or 2 songs on a record album or when you've got lots of 45's.

**Clearly list each song in the order you want to listen to them.**  
 The first two items below are examples to show you what we need to know.

	Song Name	Singer	Album name or write "45 record"
E.g.	<i>It's Carnival Time</i>	<i>Elvis</i>	<i>Roustabout Soundtrack album</i>
E.g.	<i>Flaming Star</i>	<i>Elvis</i>	<i>45 record</i>
